

TorqTite™

XD-15 Ceramic with Nitrogen Steel Races

- The only Bottom Bracket to come with a two year warranty
- 100% USA made with aircraft grade metals
- Longer life span than most frames on the market
- The only angular contact BB with 3/16" balls
- Nitrogen infused steel for longer life
- 3.5 times more corrosion resistant than stainless steel
- Lighter than any Shimano, Sram or FSA BB on the market
- Available for road, cross or mountain applications

**New
Items**
